

Logitech MeetUp videokonverentsi seadme kasutamine

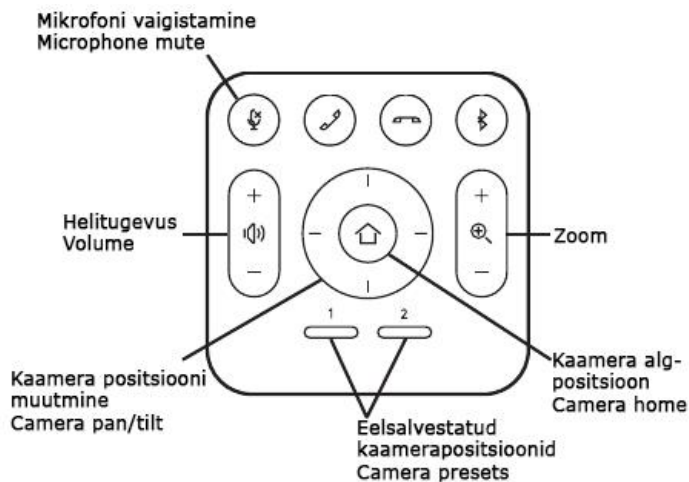

Videokonverentsi läbiviimiseks õpperuumi arvutit kasutades veenduge, et Logitech MeetUp seadme kaabel on õpperuumi arvuti USB pesas.

Avage videokonverentsi tarkvara. Veenduge, et oleks valitud õige mikrofoni ja kaamera sisend (Logitech MeetUp)

Sisendite valimine Microsoft Teamsis
Selecting inputs in Microsoft Teams

Kaamera positsiooni saate muuta Logitech seadme puldist, mis asub laual.
